

I have signed up for a sky diving tandem jump and I hereby declare:

- 1. I have not consumed alcohol or mind altering drugs in the prior 8 hours
- 2. I weigh less than 100 Kgs
- 3. I have not scuba dived in the past 48 hours
- 4. To be in good physical and mental health and not to suffer from any ailment that may preclude the activity of skydiving (pregnancy and cardio vascular conditions will automatically disqualify you for this type of activity).
- 5. I have not had any accident recently, and I am not under medical treatment
- 6. I do not suffer from any trouble to the lower limbs or the spinal chord, from epilepsy, from ear nose & throat problems, heart or blood pressure trouble and am not subject to loss of consciousness or narcolepsy.
- 7. I have been briefed with regards to the sequence of events leading to the final jump and in particular I have been briefed on:
 - a. The equipment in use
 - b. The adjustment of the harness
 - c. Procedure to board the aircraft and positions onboard the aircraft
 - d. Jump simulation
 - e. Simulation of the body position during descent
 - f. Simulation of descent under open parachute
 - g. Simulation of preparation for landing

I hereby undertake to follow the instructions of the Tandem Pilot. I also declare to be aware that skydiving may result in bodily injury.

All photographs and film footage taken from the ground and from the air remain the property of Paradrenalin.
